Doncaster Sheffield Airport's Airspace Change Proposal | Public Consultation

I am writing to inform you that today – Monday 3 August 2026 – Doncaster Sheffield Airport (DSA) has launched a public consultation about proposals to reinstate controlled airspace and introduce the arrival and departure procedures needed for DSA to reopen safely and bring passenger and cargo flights back to the region.

The consultation will run for **9 weeks from Monday 3 August – Sunday 4 October 2026**, and we hope you can take part and share your views with us.

How to take part in this consultation

1. We are holding a number of public consultation events and online webinars to support this consultation. I enclose our consultation leaflet which outline these events, please publicise this information as you wish to. Details of these events are also on our consultation website at the link below.
2. Alternatively, you can view our consultation documents online on our consultation website - <https://consultations.airspacechange.co.uk/doncaster-airport/dsa-airspace/>
3. **Share your views with us:** once you have reviewed the proposals and asked any questions you might have, please let us know what you think of the proposed changes via the online questionnaire on the consultation portal: <https://consultations.airspacechange.co.uk/doncaster-airport/dsa-airspace/>

Further information

If you have any questions or require further information that is not detailed within the attached leaflet, please do not hesitate to get in touch with our consultation team at dsa-airspaceconsultation@flydsa.com or on **0800 043 3099**.

Should you determine that you no longer wish to receive updates in relation to this proposal, you are welcome to opt out of subsequent messages by responding to this email with UNSUBSCRIBE in the email header.

Yours sincerely,

Doncaster Sheffield Airport Airspace Change Team
